

MY WORD LIST

Track your child's words as they grow! Being aware of what they know will help you teach them more!

How to use this chart:

- Keep this chart somewhere you can easily see it and access it each day
- Find a time in your daily routine where you can jot down some new words you heard your child use
- Use books, play or daily routines to expose your child to one new word each day and record it here on this list
